**Calendar Marked for 1965-66 School Year**

Calendar of school holidays for the coming year has been announced by the Torrance Unified School District as follows:

Between the first day of school, Sept. 15, and the beginning of winter vacation, Dec. 20, there will be two holidays — Veterans' Day, Thursday, Nov. 11, and Thanksgiving, Thursday and Friday, Nov. 25 and 26.

Winter vacation will extend from Dec. 20 through Jan. 2. With Lincoln's birthday, Feb. 12, falling on a Saturday this year, the only break between winter and spring vacation will be Washington's birthday, Tuesday, Feb. 22.

Following Spring Vacation, April 4 through April 8, the only remaining holiday of the school year will be Memorial Day, Monday, May 30.

Parent conferences will take place from Monday, Nov. 15, through Tuesday, Nov. 30, and from Monday, April 11, through Friday, April 22.

The first semester will end Friday, Jan. 28, for elementary pupils and the following Friday, Feb. 4, for high school students.

Graduation exercises are set for Wednesday, June 15, and the last day of school will be Friday, June 17.

Summer school session will begin Monday, June 20, and end Friday, July 29.

**EASY TO MAKE . . .** The bold check pattern goes well with blouses and sweaters and is easy to make. The pattern, Simplicity No. 6151, is available in girl's sizes 7 to 14.

**Cafeterias To Open on First Day**

Cafeterias will be open at all Torrance schools when classes resume Wednesday, Sept. 15, according to John Blandy, director of food services.

Youngsters at the district's elementary schools will munch on toastie dogs while high school students will have their choice of a la carte specials.

Included in the hot lunches at the elementary schools will be buttered peas, confetti salad, chilled watermelon, and snickerdoodles.

Thursday's menu will feature tacos, while grilled cheese sandwiches will be Friday's main dish.

Elementary school plate lunches are planned to meet national "type A" diet requirements, Blandy said. Milk is included in all 35-cent plate lunches, or may be purchased separately. Ice cream also is sold.

**New Photo Class Set At Night**

Photography students in Torrance adult education classes this fall will have their first crack at processing film as a result of the opening of a modern darkroom in the new science building at Torrance High School.

Previously Torrance Evening High School students received only theoretical training in film handling and developing.

Scope of the course, which will be offered from 7 to 9:30 p.m. Thursdays, beginning Sept. 23, will include all areas of black and white still photography. Students will learn how to effectively use the camera, how to select proper film for certain types of photography, how to use the exposure meter, adjust the lens, and use filters in addition to learning techniques of processing and developing film.

Instruction will also be given to portraiture, flash and flood lighting, night and action shots, and copying.

Students are required to furnish their own cameras, film and paper. A laboratory fee of \$1 will be charged to defray costs of developing and processing fluids in addition to regular adult education registration fee and incidental charges.

Teacher will be Mel Steinberg. Students may register at the first class session. Persons desiring additional information are asked to call the adult education office, 328-8080, Ext. 295, before 5 p.m. of 328-9206 after 6 p.m.

**Aides for Playground Sought Here**

Teachers aides are being sought by the Torrance Unified School District to serve as lunchtime supervisors in school cafeterias and playgrounds.

Persons interested in applying for the one-to-two hours a day job are asked to contact the principal at the school of their choice.

Job openings are available to adults over high school age. A high school diploma is not required.

Positions will be available beginning Sept. 15.
